Correction of previous press release: Final dividend calendar for AIX

In the press release published on 1 May 2019, it was erroneously reported that the last date for currency election for the final dividend on the Astana International Exchange is 13 May 2019. The correct date for currency election for the final dividend is **6 May 2019**. The corrected press release follows in full below.

Polymetal would like to inform that due to bank holidays in Kazakhstan the following dates will apply on the Astana International Exchange (“AIX”) for the final dividend of US\$ 0.31 per share for the year ended 31 December 2018. For the avoidance of doubt, the dividend dates announced on 11 March 2019 for the London Stock Exchange and on 13 March 2019 for the Moscow Stock Exchange remain unchanged.

EX DIV DATE: 6 May 2019
RECORD DATE: 10 May 2019
LAST DATE FOR CURRENCY ELECTION: 6 May 2019
PAYMENT DATE: 24 May 2019
