## Polymetal International plc

### Polymetal receives Industry Mover Sustainability Award

**Polymetal International plc has received the Industry Mover distinction from RobecoSAM for its excellent sustainability performance and becomes the first Russian company to be included in RobecoSAM's Sustainability Yearbook, the world's most comprehensive publication on corporate sustainability.**

"We are pleased that our commitment to integrate sustainable development principles in our business has been highly recognised by RobecoSAM. Leadership in sustainability has always been a priority for us. However, we believe that sustainable development means continuous improvement in the way we deal with environmental, social and governance issues, and there is always room for improvement regardless of where we are now" – said Daria Goncharova, Chief Sustainability Officer of Polymetal.

RobecoSAM's Sustainability Yearbook lists the world's most sustainable companies that fall within the top 15% of their industry in environmental, social and governance performance. For the 2019 Yearbook, RobecoSAM assessed 2,686 companies from 60 industries, selecting 458 for inclusion (click [here](#) to access the 2019 Yearbook).

Polymetal has been listed in the 2019 Yearbook with the Industry Mover distinction that is awarded to the company within the top 15% of its industry which has achieved the largest proportional improvement in sustainability performance compared to the previous year.
